YACHT INFORMATION

From spring 2021 the brand new Lagoon 46 in the luxurious and fully equipped owner's version will be available for weekly charters from Palma de Mallorca. The generous layout and the furnishings in the elegance line leave nothing to be desired.

The catamaran is ideal for six guests plus one skipper. It features three superbly equipped cabins with queen-size beds and a skipper cabin with single bed. In addition, the couch in the saloon can be converted into a double bed if required, so that two more people can comfortably sleep on board. During the day the yacht is suitable for up to 12 persons.

The Lagoon disposes of a dinghy with 25 HP. A wakeboard, donut and Seabob can be booked in addition.
