### YACHT INFORMATION

Brand new in charter on Mallorca: Lagoon 46 year built 2020.

The follow-up model of the popular Lagoon 450 is top equipped and therefore unique in this size class for bareboat charter on Mallorca.

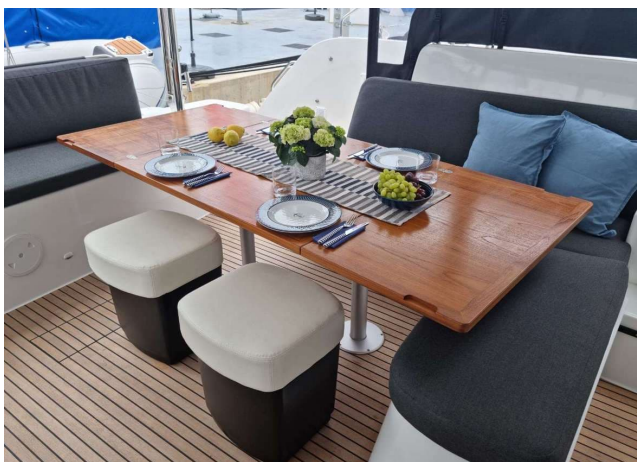

The yacht has 4 double cabins with ensuite bathrooms, plus a bow cabin (+ bathroom). If required the saloon can still be converted.

For special comfort air conditioning and dishwasher are available. In order not to be dependent on the expensive and hard to book moorings for cat's on Mallorca and Ibiza, a generator provides the power supply and a watermaker (desalination) supplies the crew with fresh water even at anchor. For the sporty guests there is a water sports dinghy (50PS outboard engine) available. A donut to pull – as well as a SUP/paddleboard are also included.

A Seabob F5/F5S can be added on request.
