YACHT INFORMATION

The luxurious Nautor's Swan 20m "Constanter" captivates with her timeless elegance. Built in 2002, the sailing yacht was extensively refitted in 2013 to provide superior sailing comfort.

Thanks to her speed and manoeuvrability, the sailing yacht has successfully participated in four Swan Cups and several regattas.

Constanter comprises three air-conditioned cabins, perfect for six guests. The main cabin features a large double bed and en-suite bathroom. The port cabin with a double bed and the starboard cabin with upper and lower berths share an adjoining bathroom with a large separate shower.

The attentive crew leaves nothing to be desired. The experienced captain Clive is an absolute sailing enthusiast, with a spirit for adventure that will inspire you. Chef Florence will spoil you with excellent dishes according to your taste and preferences.

From May to July, the yacht cruises the sailing areas of Spain and the Balearic Islands. From August, the yacht will be sailing along the Italian coast.
