YACHT INFORMATION

The Oceanis 41 from Beneteau features a spacious interior. Below deck, up to six people can find space in three cabins for relaxing overnight stays. Two bathrooms offer everything needed for daily hygiene. The design of the sailing yacht is modern and comfortable. On deck, in addition to a generous seating area, a bathing platform with ladder is provided from which you can comfortably climb into the water. A large bimini protects from excessive sunlight, while a sprayhood keeps out splashing water at full speed. An electric anchor winch makes it easy to pull in the anchor.
