YACHT INFORMATION

The Pearl 75 "Shinju" awaits you for unforgettable cruises on the Balearic Islands from her home port of Port Calanova. Built in 2013 and recently refurbished, the yacht impresses in many ways.

The yacht's numerous seating and lounging options are perfect for relaxing while the captain guides you to the most beautiful corners of the Balearics and the crew prepares delicious cocktails for you. Thanks to a zero-speed stabilisation system, a comfortable ride is guaranteed.

Inside, the yacht captivates with its maritime flair, which is thanks to designer Kelly Hoppen, who had the yacht furnished with beautiful fabrics and decorative objects.

Four well-appointed cabins – including three doubles and one twin – await up to 8 guests.

For fun in the water, there is an impressive range of water toys, including a Williams Jet-Tender 325, water skiing, wakeboarding, paddleboards and snorkelling equipment.
